

Thank you for your support of AIMS Education Foundation programs and publications.

This letter is to confirm that the AIMS Center for Math and Science Education, a part of the AIMS Education Foundation (AIMS) is the Sole Source provider of all AIMS publications, including digital activity books, E-activities, Common Core Math, and State Science now available by download only on the AIMS store website (store.aimsedu.org).

AIMS is the Sole Source Provider of AIMS Math Professional Development workshops for differing grade levels and by topic from K-2 to 6-8: Math Practices; Operations and Algebraic Thinking; Number and Operations Base 10; Number and Operations Fractions; Measurement and Data; Geometry; The Number System; Ratios and Proportional Relationships; Statistics and Probability; Expressions, Equations and Functions. Available on www.aimsedu.org.

AIMS is the Sole Source Provider of AIMS Science Professional Development workshops for grades K-2, 3-5, and 6-8: Scientific and Engineering Practices; Cross Cutting Concepts; and Core Disciplines. Available on www.aimsedu.org.

The Foundation is the publisher of these teaching materials and maintains all copyright privileges on print and digital versions.

If you have any questions, please do not hesitate to contact us.

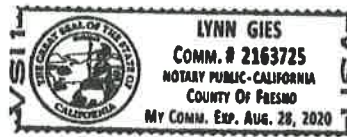

I certify that these statements are true and correct.
